

verihealth, Inc. Ambulance Services is seeking professional, talented, and quality EMTs to be a part of our Bay Area Program.

The truth about verihealth Ambulance Services:

We're a fully realized health services organization, revolutionizing the business of quality transportation and onsite medical care through leading-edge service, innovation and the latest technology. At verihealth, quality is more than just a marketing buzzword. It's the truth about everything we do.

verihealth's field operations are supported by the finest clinical team in the business. Our highly respected Physician Medical Director, Paramedics, EMT's and Critical Care Nurses offer the insight, experience, and hands-on knowledge to make the right decisions at the right time.

We are seeking EMTs that are interested in future casual, part-time, and/or full-time opportunities to further their EMS career.

Job Qualifications:

- County Issued EMT Card
- Current and valid California driver's license
- Ambulance Driver Certification
- Medical Examiner Card
- National Registry Certification
- CPR Card
- A clean DMV Printout
- At least 18 years of age for insurance clearance

Compensation and Benefits

- Competitive Hourly Rate
- Medical, Dental, and Vision Care
- Employee Assistance Program
- 401(k) Retirement Plan
- Voluntary Benefits
- Paid Time Off
- Holiday Pay
- Free Recertification Courses
- Company Paid Uniform
- Career Development Program

We feature excellent compensation, great benefits, outstanding training, and the opportunity to be part of a successful and growing company. Additionally, verihealth provides the ability to learn the key fundamentals and values that will take you to the next step in your career.
